## 18. Agree with Supreme Court Ruling on \$10,000 Cancellation Plan for Incomes Under \$125,000

Last year, the Supreme Court rejected the Biden administration's plan to cancel \$10,000 in federal student loan debt for borrowers who owe at least that much and whose annual incomes are below \$125,000. Do you agree or disagree with the court's argument that Biden overstepped his authority by taking this action?
